Dear Permittees and Reserves:

I want to express my sincere appreciation for your contribution to our Industry, in particular your time with us at Local 155. The Industry will recover along with all of us after this crisis. We haven't forgotten you and we hope to see you when things return to normal. You are a big part of what we do as this Industry continues to grow. There are no predictions when Productions will return, but during this down time, we hope to find ways to keep you engaged with us.

One thing we can do for you is to refund all those who have paid Hiring Hall fees for April 2020 and the months going forward if you apply for a refund. The simplest way to apply would be by email at [team155@teamsters155.org](mailto:team155@teamsters155.org) confirming your request and address.

If you choose not to request a refund, you will be credited the months you have paid in advance. You will continue to be able access our website for updates and take advantage of our supportive information. As well, we will freeze everyone's position on the availability list. Unfortunately, there is not a way for you to access our Extended Health coverage, that is only available for Members.

In closing I hope this finds you and your loved ones in good health.

Sincerely,

Lorrie Ward  
Secretary-Treasurer
